Edmunds said, "An excellent all-rounder, the newest Civic drives well no matter which version you pick. Out on the highway, the Civic offers a composed ride quality that doesn't get overly floaty or harsh...No matter how you look at it, the 2017 Honda Civic is one of the best cars in its class."

Consumer Reports said, "The Honda Civic is back -- recapturing its position as a mature, substantial compact car with enough elegant touches that it makes you feel like you spent more money than you had to."
