DESCRIPTION

2025 Honda CR-V LX

This 2025 Honda CR-V LX is a modern, fuel-efficient, and exceptionally well-maintained SUV that represents the latest generation of Canada's favorite family vehicle. With 25,291 kilometres, this nearly-new, Canadian-built SUV offers a sophisticated driving experience that prioritizes both safety and everyday utility. Powered by a responsive 1.5L turbocharged engine and equipped with Real Time All-Wheel Drive, it delivers a perfect balance of spirited performance and all-weather confidence, making it an ideal choice for the diverse driving conditions of the Edmonton area. The interior of the LX trim is a masterclass in modern ergonomics and passenger comfort. You are greeted by high-quality cloth bucket seats that are heated in the front, ensuring immediate warmth during Alberta winters. The cabin features dual-zone automatic climate control, allowing both the driver and passenger to set t...
